## BALLOTING FOR NEW COUNCILMEN BEGINS TODAY, ENDS MAY 4

THIRTEEN TO BE ELECTED FROM THIRTY-ONE CANDIDATES

TO TAKE OFFICE AT NEXT MEETING

Kebler Makes Plea for Students to Elect Live Wires

Balloting begins today for thirteen Councilmen who will, with the five already appointed by the Chairman of the Faculty Committee on Student Activities, constitute next year's Council. These members will take office at the next meeting, the first Tuesday in May, and in their hands will rest the governing of Student Activities for the year 1918-19.

To fill these vacancies there have been appointed, some by petition and some by the Council, thirty-one candidates all of whom have been ratified by the Faculty Committee on Student Activities, and chosen not because of their personal popularity, but because of the interest they have evidenced in the welfare of the University.

As announced in the last issue of the Hatchet a petition signed by one tenth of the registered students in any department would nominate a student of that department regardless of the Council's choice. This year there were more petitions presented than ever before and the business of selecting the candidates was much simplified thereby.

The constitution of the Student Council provides that not more than two candidates may be nominated for each vacancy but all students backed by petitions as stated above are nominated automatically by those petitions. Because of this there are three candidates for one vacancy in the Teachers College and four candidates for one vacancy in the Dental School.

A ballot is printed on the last page of this issue with the complete list of candidates. Each registered student may vote for as many candidates as there are vacancies in his department, but may not vote for any candidate in any other department. The vacancies to be filled in the various departments are: Columbian College, 3; College of Engineering, 2; Law School, 2; and one each in the School of Graduate Studies, Teachers College, Medical School, College of Pharmacy, the College of Veterinary Medicine and the Dental School.

Balloting begins today and the polls will close at noon Saturday, May 4. All ballots must be in the hands of Victor Kebler, Department of Arts and Sciences, 2023 G Street, by that time if they are to be counted. All ballots must bear the signature, department and class of the voter to be valid.

"This election more than any other before should be conducted in a manner that will elect the best man regardless of fraternity or personal friendship," says Vic Kebler, Chairman of Elections Committee, "because of the fact that the business of the Council is daily becoming more complex and live wires will be needed to keep up the spirit of the University next year."

The names of the candidates with a brief review of each in regards to his activities as a G. W. man follows:

### COLUMBIAN COLLEGE

John Paul Earnest, Jr., Sophomore, (By Petition.)

J. H. Hornaday, Sophomore, Editor in Chief of the 1918 Cherry Tree, (By Petition.)

G. W. English, Freshman, Treasurer 1917-18, (By Petition.)

Ross White, Freshman, Assistant Manager Basketball 1917-18, Basketball "W" 1917-18.

Martha McGrew, Junior, Student Council 1917, 1917-18 G. W. Players 1917, Secretary, 1917, Girls Cheer Leader, Women's University Club.

Gertrude Metzgerott, Sophomore, Associate Editor, Cherry Tree, 1917, Hatchet Reporter, 1917-18.

### COLLEGE OF ENGINEERING

J. L. Lenovitz, Junior, Track 1916-17, Engineering Society 1916-17, 1917-18, Treasurer, Engineering Society 1917, Editor 1917, Hatchet Reporter 1917-18, Basket Ball Cheer Leader 1917.

(Continued on page 2, column 3)

## COUNCIL FIXES DATE FOR LETTER AWARDS

Basket Ball "W's" and Numerals to Be Given at The Medical School On April 30

TOKEN FOR MURPHY

The presentation of basket ball "W's" to men and of numerals to the girls will take place at the Medical School, Lecture Hall, at 4:45 o'clock on Tuesday, April 30. This date was set by the Council at the last meeting on Thursday, April 18, after Victor Kebler, Chairman of the Committee on Athletics, had made his report as to the best time and place for the presentations.

The presentations will be conducted by the President of the Council who will introduce the speakers, Prof. Croissant, Coach Murphy, and Charlie Allen, and will present the letters. At this time Victor Kebler will present to Coach Murphy who gave his time gratis to the squad, a token of the appreciation of the Council and the school for his valuable aid.

The men who will receive their letters are as has been announced before: Witt, Erdahl, White, Boteler, Kebler, Halstead, Roberts, Underwood, and Allen. All of these men played in over half of the scheduled games and in both Georgetown games.

The girls who are to receive numerals are Mary Alice Newton, Veiz Goddard, Marie O'Dea, and Edna Tucker. Two letters will be given, one to Miss Elizabeth Davis, manager for the first semester, and Miss Emily Umhan, the present manager. It was decided to give the girls numerals instead of letters on the advice of Miss Umhan as there was no real schedule for the girls team and few important games were played.

This presentation, the first for many years, should be attended by a large body of students to honor those men who upheld G. W.'s honor so well, on the floor, winning the District championship against three of the best teams in the city playing against many handicaps and with practically no support from the student body.

## Last Council Dance to be Held May 8 at Dyers-"Jardin Music"

Tickets To Be Sold If Possible, Only To G. W. Students

DANCING FROM 9 TO 12

The fourth and last Student Council dance will be held on the evening of May 8th, at Dyers, 1517 R Street. Posters on the bulletin boards of the various colleges have attracted much attention, and give adequate information to prospective purchasers of tickets.

The feature of the evening will be the music—four pieces of the Jardin Orchestra which has been imported from the wilds of Africa for this express occasion. There is no doubt in the minds of the promoters of the affair but that the most staid waltz flower will be inspired by the spirit of the veritable Terpsichore herself and go dancing around like Vernon or Irene Castle used to do, when the strains of that music begin to tease their ears.

Tickets have been placed in the hands of a large number of agents, whose names have been appended to the posters on the bulletin boards and may be secured at the popular price of one dollar. This fourth dance will be informal like the others, and care has been taken to see that tickets reach as few people outside of George Washington as possible. The dance will begin at nine and stop at twelve.

The last dance was a lamentable financial failure, only three dollars profit being made and the management of this dance has expressed the hope that the students of George Washington will have lost that spirit of neglect of their Alma Mater's affairs and come to this dance in force, so that enough money may be made to wipe out the remaining athletic deficit.

## Deficit Lowered by Dental Contribution

More Money Must be Raised to Wipe Out Additional Basket Ball Deficit

LAW SCHOOL TO BE CANVASSED BY ALLEN

A contribution of \$25.50 from the Dental students and \$10.00 from Delta Tau Delta brought last year's athletic deficit close to zero, but this year's basketball deficit of \$58.18 has been added to it and brings it up to \$66.65.

This addition does not in the least worry the Faculty Committee as to the outcome of the campaign, for they are sure that with a renewed interest it will quickly vanish.

The generous contribution of the Dents was collected by the class officers in that department, and turned over by Louis Genesee at the Student Council meeting last Thursday night. Delta Tau Delta put herself among the highest fraternity contributors when she sent in \$10.00.

The Council appointed Charlie Allen and Earl Van Wagoner to collect in the Law School. The deficit campaign committee was so pleased with the Dents' contribution that they determined to open a canvass immediately in the Law School which has not yet been approached. Very few individual contributions have come from the Law School, so it is believed that they will collect a large sum.

Charlie Allen asked that the figures for the Dents be not announced yet, for he says Law is going to go way ahead of them and he wants them both announced at the same time. Graduate Manager Kayser, however, believes that it will stimulate the Law students some to know just how large the Dents' contribution was. Kayser thinks the Law School should contribute as much as fifty dollars.

"I think they will," he said, "because Charlie Allen is pushing it."

The bills of Spalding and Walford's have been reduced to \$50.00 and \$20.00, respectively, and according to the campaign committee it will not be long until they are paid entirely.

The latest figures are as follows:

Total	102.15
Dental School	25.50
Delta Tau Delta	10.00
Remaining deficit	66.65

PAN-HELLENIC SENDS LETTER REQUESTING LARGE CONTRIBUTIONS

Luncheon and Supper Will Be Served On Back Campus Next Monday

A letter is being sent to the President of each Fraternity in George Washington by the Pan-Hellenic Association asking for a contribution of \$50 for the G. W. Liberty Bond.

The Pan-Hellenic not satisfied with this is also planning to have a lunch and supper on the back campus of 2023 G Street next Monday the proceeds to go to the Bond. In this undertaking they are co-operating with the W. U. C. and each Sorority is to have charge of a table. Lunch will be served from 12:15 to 1:45 and supper from 6 to 7:30. The menu will include ice-cream, sandwiches, salad, coffee and rolls. It is promised that bargain prices will prevail.

Sometime soon the girls of the Pan-Hellenic and the W. U. C. will sell tags for the G. W. Liberty Bond.

## MANY ATTEND ANNUAL MEETING OF ALUMNI

Business Meeting, Election of Officers, Address By Pres. Stockton, and Dancing Included in Program

The alumni of George Washington University and undergraduates as well, were represented in large numbers at the annual reunion of the Alumni Association held last Friday night, April 12, at the Washington Club in honor of Admiral and Mrs. Stockton.

A reception to the honored guests preceded the business meeting. The transaction of the usual business resulted in the election of the following officers: Harry C. Davis and John A. Larnier were re-elected respectively, President and Treasurer; Elmer L. Kayser was elected Secretary; and the following Vice Presidents were elected: Ogla R. Swigleton, of Columbian College; Miss Freda Egbert of Teacher's College; Dr. R. A. Foster, of the Medical School; Mrs. J. Evans, of Teacher's College; Frank Stetson, of the Law School and Dr. Frank A. Hornaday of Medical School.

Admiral Stockton, addressing the Association, told of the falling off of the enrollment since the beginning of the school year due to the fact that so many of the students have entered the Service. Admiral Stockton gave the Service record of the various departments of the University wherein it was shown that all the Colleges had suffered from loss of students due to the war. Pres. Davis told of the work of the Association during the past year and paid a tribute to the administration of Admiral Stockton.

The Alumni Association has accomplished a great deal during the past year. The organization is of vital importance to the University and should have the backing of each and every student.

A buffet supper and dance followed the business meeting. The Holmes Saxophone orchestra furnished the music for dancing and an extremely enjoyable evening was had by all those who attended.

## GRADUATION PLANS SHAPING GRADUALLY

New York Lawyer to be Speaker at Exercises On June 6

DR. NELMS WILL PREACH BACHALAUREATE SERMON

Preliminary arrangements for the commencement exercises and other events of commencement week are gradually taking shape. President Stockton has announced that the Commencement Orator will be Joseph G. Auerbach, a leader of the New York bar.

Graduation will be held as last year in the General High School Auditorium on June 6. This year the students and candidates for degrees will be seated in the front of the auditorium instead of on the stage. At that time the officiating clergyman will be Rabbi Simon who received his degree of Ph. D. from this University. Mr. Auerbach is a charming man and a writer of several papers and essays.

The bachelorette sermon will be preached by Dr. C. Henning Nelms at the Church of the Ascension the Sunday before Graduation.

Admiral and Mrs. Stockton will give their usual reception to the graduating classes in the afternoon of Tuesday, June 4 at the Washington Club.

There will be a larger number of honorary degrees conferred by the University this year than usual but the names of those who are to receive them have not been announced. The number of persons receiving other degrees according to Secretary Cobb will be about 150. Last year over 200 degrees were conferred by the University at the June convocation. This decrease is explained by the fact that a greater part of those students who have gone into War Service have gone from the upper classes of the University. In mentioning this fact Mr. Cobb said, "This is a decrease that we need not feel ashamed of but of which we can well be proud."

## G. W. LIBERTY LOAN MEETING APRIL 30, 8 P. M.

Bond Collections Are Over \$500 And Still Rising

LAW SCHOOL LARGEST CONTRIBUTOR SO FAR

Major Gilmore, commanding officer of the British Royal Flying Corps and Capt. Hunter of the Royal Flying Corps, who has just returned after a nine months internment in a German Prison Camp, and who has lost one arm in active service, will speak at the George Washington University Liberty Loan Meeting at the Medical School, 1325 H Street on Tuesday night, April 30, at 8 P. M.

The G. W. Liberty Bond has passed the \$500 mark and is increasing every day. The Law School is so far the largest contributor, in proportion to its enrollment, and its good showing is due largely to the efforts of Mr. Gilbert Hall, the Law School representative on the Liberty Loan Committee.

Five hundred dollars is probably the largest sum ever raised in the University but the \$2,000 goal which was set in the beginning of the campaign still remains. The names of all of those who have subscribed will be published in the next issue of the Hatchet. And it is hoped that every name will be on that list. Every G. W. student who has bought an individual bond of the Third Liberty Loan is urged to give his name to the department representative of his College, Columbian College, Miss Moran; Teachers College, Margaret Prentiss; Medical School, Mr. Dazey; Law School, Mr. Gilbert Hall; Engineering College, Mr. Jacob Lenovitz; Dental School, Mr. Genesee; Veterinary College, Mr. L. I. Hines; College of Pharmacy, Mr. C. L. Bowman; Faculty, Miss Josephine Jonas; Graduate School, Mr. P. J. Donk.

Veterinary College expects to turn out the largest per capita contribution of any department in the University according to good information. And Miss Anne Cardwell, who has charge of canvassing the Alumni expects to turn in at least \$100 in the next few days.

Sigma Kappa voted \$60 as their share towards the \$2,000 and deserves special mention for this action. It is hoped that the men's fraternities will show the same spirit.

The returns up to date are as follows:

Law School	\$100
Columbian College	99
Faculty	75
Sigma Kappa	60
Engineering College	55
Pi Beta Phi	50
Dental School	36
Teacher's College	15
Alumni	1
Total	\$527

## PROF HENNING STARTS BOOK CONTRIBUTIONS

Last week Prof. G. N. Henning, donated a set of seven French books to start the G. W. collection of books for the soldiers in answer to the nation wide appeal that is being made at this time.

In addition to this contribution several books of adventure have been turned in to the library at 2023 G Street, which will help to wipe away the many leisure hours of the soldiers in the many camps throughout the country.

There is a call for over half a million books for military posts, forts, camps, naval stations and vessels; for the marine corps training stations and barracks; men on transports and lastly there is an unlimited call for the overseas need.

The books desired are: novels, tales of adventure, detective stories, and standard fiction; up to date books on civil, mechanical, and electrical engineering; the trades, business, the professions and agriculture; recent textbooks on military subjects; mathematics, the sciences and foreign languages; books of travel and history; biography, poetry and the present war, dictionaries, or interesting books in foreign languages.

## Margaret Prentiss Appointed Editor in Chief of The Hatchet

COUNCIL WILL CHOOSE ASSISTANTS AT THE END OF THE YEAR

Miss Margaret Prentiss was appointed Editor in Chief of the 1918-19 Hatchet at the last meeting of the Student Council.

Miss Prentiss is at present the first Assistant Editor of the Hatchet, and was assistant editor last year when she had charge of one of the last issues.

Miss Prentiss is a member of the Pi Beta Phi Fraternity, the Sphinx Honorary Society, the Woman's University Club, the Art Society and was the Vice President of her class in 1916, a member of the G. W. Players, '17, Associate Editor of the Cherry Tree in 1917 and winner of Sigma Kappa prize in Freshman English '16.

At the end of the present academic year one or two assistants will be chosen by the Council to help Miss Prentiss during the year 1918-19.

## GIRLS TO START CREW WORK SOON

Shells and Coach Have Been Secured.  
Time for Practice Not to Interfere With Classes

The girls will begin to row in another week. The shells of the Annapolis Boat Club will probably be used and Mr. Hecox of Central High School will coach.

Two mornings a week will be used for practice. The days have not been settled yet but these activities will not conflict with classes as the girls will be on the river between 7 and 8.30 a. m.

About fifteen girls have signed the lists but forty will be needed to form four eight-oared crews. Those who join the group will have the use of the shells during the summer. The races will not take place until September.

Sigma Kappa is the first organization to enter a crew. A strong Freshman group is expected to form during this week.

## Cherry Tree Will Come Out May 15

When is the Cherry Tree coming out?

The editor tired long ago of answering this question and he hopes he can give his voice a rest by publishing the date in the Hatchet. May 15th he says and promises it will be out on time.

The book is now being printed, all copy having been turned in and the engraving finished sometime ago.

The book this year will contain more material than ever before. It is more artistically arranged than usual and embodies many new features. Snapshots and pictures of all kinds are numerous, over \$600 having been spent for engraving.

The business manager is having many more copies printed than have been subscribed to for he feels sure that the book will have a big sale. He advises, however, that to secure a copy you see an agent now and not wait until the book appears, and then perhaps be unable to get one.

The agents will continue to take orders so long as the supply lasts. To secure your copy see any member of the Cherry Tree Staff, or the agent in your department. They are: Victor Kebler, Columbian College; Benjamin Cruickshanks and Wilbur Gersdorff, Engineering; Annie Cardwell, Teachers; Gerald Wiekert, Law; Jack Zerbe and Vail Minick, Medical; John Copping, Dental; Annie Bratton, Nurses; Martin Schwartz, Pharmacy; and Lawrence Hines, Veterinary.

## PUBLICITY AGENT PUTS IN PLEA FOR LETTERS

Interesting letters from George Washington University men in France to students and faculty members here are being sought by the University's Publicity Bureau for publication in the local newspapers.

The proposed publication of such letters is a part of the University's plan to get as much publicity as possible concerning the part being played in the war by George Washington men.

Students and faculty members having letters from France should forward them to Ralph W. Benton, publicity agent, 1424 R street northwest. If the return of the letters is desired, a note to that effect should be enclosed.

## Election of Next Year's Officers to Occupy Last Meeting

G. W. Players To Close Year's Activities With Meeting Next Wednesday Night—Refreshments

Next Wednesday evening at eight o'clock the George Washington University Players will gather in the Chapel for the last time this year. They will elect officers for the organization next year, hear the report of the treasurer for this year, and adjourn to eat ice cream.

All those who have been interested in the work of the Players this year are invited to be on hand, and all those who might take part in the activities of the organization next year will be welcomed and well fed.

Because of the peculiar conditions brought about by the war the work of the Players this year has been very little, since support from the student body was not forthcoming. So many contributions and collections have been made about school that it was thought unwise to attempt to give a big play this year for the reason that no one has the money to spend on tickets. The same thing was done at Columbia this year, but it is deeply regretted that the custom of the Players of giving a big play on George Washington's birthday could not be kept up.

The meeting this Wednesday will be an interesting one, especially as ice cream tastes good on these warm evenings.

## DR. COLLIER TO MAKE COMMENCEMENT ADDRESS AT ALBANY LAW SCHOOL

Dr. Collier, President-elect of the University, is to be the orator at the Commencement of the Albany Law School, on the evening of June 6th, going to that city from Washington immediately upon the termination of the Commencement exercises of the University. Dr. Collier's address is not only the annual commencement address at Albany but also one of the lectures on Legal Ethics, upon the Hubbard foundation for the maintenance of a course of lectures upon that subject in that School. Dr. Collier's subject will be: "The Law and The Higher Law," with special reference to the famous speech of the distinguished statesman, William H. Seward, whose home during his lifetime was in Auburn, where Dr. Collier resides.

## UNIVERSITY MASONIC CLUB HEARS ADDRESS BY ACCACIA PRESIDENT

The last regular meeting of the University Masonic Club on the evening of April 13, 1918, was addressed by Lieut. Harry L. Brown, Grand President of the Accacia Fraternity, who recited the history of the fraternity from the date of its organization to the present time.

The next regular meeting of the club which was scheduled for May 11, 1918, has been cancelled, it having been decided by the members to give a theater party that evening at Keith's instead. Arrangements have been made with the management of the theater to secure a block of tickets and they may be purchased from the club secretary, Raymond B. Harding, or through any of the vice-presidents.

It was also decided at the suggestion of Dean Ferson, to whom the club owes much of its success, to give several short excursions or picnics during the vacation period.

## "SEW ON A STAR" IS SLOGAN OF W. U. C.

"Every girl sew a star on the G. W. U. Service Flag," that is the slogan of the Woman's University Club which is making the flag and giving it to the University. An opportunity was given for every girl to sew her star on at the W. U. C. party which was held last Wednesday night.

At the party which was postponed from the week before Mrs. Percy MacKaye gave an interesting talk while the girls sewed on the stars. It is not finished yet and it was suggested that whenever any girls have a few minutes to spare they should go up in the W. U. C. room and sew on a few stars as there are going to be more stars than girls and each girl has the privilege of sewing on more than her single one. The flag has been left where the girls who wish to work on it can get it at any time.

## BALLOTING FOR NEW COUNCILMEN BEGINS TODAY

(Continued from page 1, col. 1)

Lee Swem, Freshman. President 1917-18.  
Paul B. Pew, Sophomore, G. W. Players, 1917-18.

Samuel Katzman, Junior. (By Petition.)

ENGINEERS TO ELECT  
OFFICERS, MAY 6 AT  
LAST MEETING OF YEAR

The last meeting of the Engineering Society will be held on Monday night, May 6, 1918, in the Assembly Hall. The principal business of the meeting will be the election of officers for the following year. Rae Harsh will give a short talk on some feature of the work of the Dept. of Agriculture with which he is connected. Refreshments are promised.

Nominations for officers are as follows: President, J. Lenovitz, B. Cruickshanks; C. E. Vice President, R. Harsch; H. Ward; M. E. Vice President, J. B. Brady, J. D. Spalding; E. E. Vice President, Z. A. Biggs, Brauner; Secretary, F. Garstide, H. S. Scott; Treasurer, J. B. Brady, M. Stewart; Members of Executive Committee, Schoffstall, and Creim.

WAR GARDEN PLANS  
NEARLY COMPLETED

The girls in Sigma Kappa will soon start work on the War Garden that they are planning for the rear of 2021 G St. The work will be conducted by Miss Alma Barker who was in charge of the public school gardens last year.

This garden will contain a great variety of vegetables which the girls intend to can during the summer for their use next year. They intend to plant anything that will grow and is edible including beans, peas, lettuce, corn, tomatoes, and beets.

Each girl will pledge herself to give a certain amount of time during the summer months and no one will have to do all of the work. Besides her war garden Sigma Kappa also intends to begin work soon on the back campus where they will plant flowers and shrubs.

NOMINATION OF NEXT  
YEAR'S OFFICERS MADE  
BY CHEMICAL SOCIETY

Nominations of officers for the year 1918-19 were made at the last meeting of the Chemical Society as follows: President, T. W. LeDuc, A. Gebhart, and R. White; Vice-Pres., B. Hamilton, W. H. Randall, and J. McCoy; Secretary, A. Spear, A. J. Mattern, and A. L. Morawski; Treasurer, P. Donk, A. Gebhart, and Miss Marie O'Dea; Executive Committee, J. L. Young, Randall, Morawski, Miss O'Dea and M. M. Preinkert.

A committee of three, A. Gebhart, Wagar Brown, and Miss O'Dea was appointed to make an attempt to increase the membership of the Society, and to see that the next meeting when the officers will be elected is well attended. Dean Munroe has been asked to speak at that meeting and it is expected that he will.

Following the business meeting Wilbur Gersdorff, President of the Society, read a paper on dyestuffs.

ANNUAL GREEK SMOKER

Dean Hodgkins, Prof. Croissant and Coach Murphy Speak at Enthusiastic Gathering

The interfraternity Smoker was held a week ago last night at the Sigma Chi House, which was jammed to the guards with Greeks from George Washington making merry according to their desires.

Dean Hodgkins gave a short talk, prefaced by several humorous remarks, of which the tenor was "I am in favor of fraternities." Professor Croissant remarked on the benefits of fraternities and mentioned some of their drawbacks and recommended that these latter be overcome. Coach Murphy of the basketball team was forced to the rostrum where he spoke a very few words, the purport of which was "I am glad to meet you all."

After the speeches the winning room was thrown open and the sandwiches, hot dogs, coffee, peanuts, pickles, etc., were laid open to the attack of the hungry hoard, which attack they did not long sustain. Somehow the piano bore up under the strain put upon it and when the men departed home ward it was with a wish that such a spirited and enjoyable affair might be held more often.

## THETA DELTA CHI

Seward G. Spoor, President of the Grand Lodge, arrived in Washington last Monday morning for a prolonged stay at the Chi Delta house. The charge is certainly glad of the opportunity to have him with them.

Last Saturday a most enjoyable dance was staged at the house. The heavy downpour failed to dampen the spirits of the dancers.

## KAPPA ALPHA

Brother Logans is now a member of the National Army and has left for encampment.

The chapter held its second initiation for the year last Saturday.

Brother Tom's husband, who was here last week, is now at an aviation gun school at Key West.

Several of the brothers from this chapter will go up to the dance given by Kappa Alpha at the University of Delaware this week.

## SIGMA PHI EPSILON

The chapter had a very enjoyable smoker last Saturday night. Prof. Croissant was the speaker of the evening and gave a very interesting and valuable talk upon the subject and purpose of fraternities in college.

Brothers Harsch and Trundle will go to Philadelphia to see the Penn Relays. They will not be able to compete because of the lack of a full relay team.

## PHI SIGMA KAPPA

Phi Sigma Kappa announces the graduation of Frank P. Watkins, C. C. '21, of Salt Lake City, Utah.

A goodly crowd of Phi Sigs turned out at the interfraternity Smoker last Thursday night and took part in the entertainment and fun. It had members initiated into the two new honorary fraternities, the Daughters of Pharaoh and Kappa Sigma Mu.

## SIGMA ALPHA EPSILON

Bro. Earnest and Lane were delegates from the local chapter at the Province Convention at Charlottesville, Va.

Bro. John Cobb is now at the Ground School at Cornell.

The chapter will give a tea next Sunday from five to seven.

## PHI CHI

Phi Chi will give a dance at the house on Friday, April 26 in honor of Brother Hookins who was initiated Saturday, April 13.

## ALPHA KAPPA KAPPA

Grand Primarius Dr. Geo. Cook paid us a flying visit while on his way to Boston.

Lieut. "Jimmy" Houghton, U. S. N., is now stationed at the Navy Medical School as pathologist.

Our annual anniversary dance will be given on April 27. We expect a large number of alumni to be present.

Brother Sibbes has been elected vice-president of the Masonic Club of the University.

## SIGMA NU

Bro. Odver Miller left several days ago for Boston Tech where he will take the ground school course in Aviation.

The dance held at the Kenasaw Apts. April 12, was a great success. Everyone had a most wonderful time.

The next dance will be held April 27th at the "Sig" house.

## SIGMA KAPPA

Miss Lois Pitcher gave a dance at her house Wednesday, April 10, for a Red Cross benefit.

The chapter entertained at a dance at the Sigma Phi Epsilon house, April 13. The chapter takes this opportunity to thank the members of the Sigma Phi Epsilon chapter for the courtesy extended them. A sum equal to the cost of this dance has been given to the Red Cross.

Sigma Kappa attended the Patriotic Rally Monday in a body.

## PHI ALPHA

At the Phi Alpha Fraternity House, on Sunday evening, April 21, a smoker and entertainment were presented, and thoroughly enjoyed by all. Brother Cohen with his witty stories delightfully amused his listeners, and there followed rapid-fire jokes across the room by a number of the men present. Music for the evening was furnished by an orchestra of five. All then retired to the table bedecked with "eats." Brother Turoff, acting as chairman for the evening called upon a few of the men for speeches. Music followed, and the evening's enjoyment closed with the departing of the men in a happy frame of mind.

## ALPHA OMEGA

On Saturday evening, April 20, Alpha Omega held its annual installation of officers and initiated into the Fraternity Nathan Cole. A smoker and entertainment were given at the Fraternity House, which met with the hearty approval of all present. Brother Bauer very cleverly rendered a side-splitting monologue replete with humor. Dr. Cohen, Assistant Professor in Anatomy delivered an interesting lecture on one of the phases of this subject, which was appreciated by his auditors.

## PHI MU

The whole chapter was entertained at a week-end house party at the home of Miss Fay Pierce, 17.

Phi Mu entertained at a luncheon in honor of Mrs. Doyle and her sister, Friday April 19.

Miss Hilda Titus has been forced to return to her home in East Orange, N. J. on account of her health, but will return to College next year.

## CHI OMEGA

Phi Alpha chapter announces the pledging of Miss Martha Willis, C. C. '20.

Prof. and Mrs. Doyle entertained the chapter informally at their apartments in the Aurora, Thursday, April 18.

## PERSONALS

## Law School

Zeta Chapter of the Phi Delta Delta, Women's Legal Fraternity has been installed at the Law School. Phi Delta Delta was the first national women's legal fraternity established in the United States and is the only one founded on a scholarship basis. The chapter members of the new chapter are: Jeannette Jewell, Laura Volstead, Ruth Osmund, Bessie Newsome and Beulah Pabst. Installation proceedings were conducted by Jeannette Jewell, former member of Alpha Chapter, University of Southern California at Los Angeles.

Madden and Larsen noted an exception before Justice Ernest in their case against Weikert and Arber. Everyone is looking forward with interest when the case comes up on appeal.

## Columbia College

Dr. Swisher in Current Hist. "Mr. Kieber you are the combined product of many billions of ancestors."

Voice from rear "And look at the result!"

Spring is here for sure—the campus in the rear of 2023 is now the merca for various and sundry games of Texas and Ham-Hand much to the annoyance of Dean Hodgkins' math class.

Leslie and George are still popular with the ladies and so long as the money holds out they will be. After that it is doubtful.

Rydewski is still around and claims he is a soldier, look out old boy they'll get you yet.

Paul Waring has become very popular with the morning Economies Class since the exam the other day. There's a reason.

## College of Engineering

Leon A. Hauser has been nominated as the best student in the graduating class in Engineering to go to the Officers Training Camp for Engineers at Camp Lee, Petersburg, Va.

Hiram Ward has built a monument to himself in the form of a brick foundation for the Marine engine which was presented to the University by the Navy Dept.

## PLAN MANY CHANGES

## FOR DENTAL SCHOOL

President Stockton announces that it has been determined, in order to obtain the highest classification of our Dental School, to reorganize the school to conform to requirements of the Dental Council of America, which will make it entirely a day school commencing next year. The proposed changes of organization are under consideration of a committee approved by the Dean of the Department of Medicine and Dentistry and in accordance with the direction of the president of the University.

### Give Today to G. W. and to Your Country

There is no one surely who needs to be told again of the importance and necessity of supporting this third Liberty Loan from the standpoint of patriotism. You have all heard speakers who have told you more effectively than we can tell you here that if you are going to be worth fighting for you must give, give freely, and to the point of sacrifice. The people of America are waking up. They are beginning to see that they can not let the whole burden of this war rest on their allies and their young men. Are we of George Washington going to lag behind the others on are we going to do our share and more than our share to save the lives of our boys, to save our homes and our country? The answer is up to you.

An opportunity for you to show that you answer that question in the right way is before you. Are you going to take advantage of it or let it slip by? You are asked to contribute to the fund to buy Liberty Bonds of this third Liberty Loan for George Washington University. The progress which has been made in these first two weeks of the drive to raise this fund has been gratifying but if you haven't done it already you want to do your share.

From a selfish standpoint there are two very good reasons why you should give to this fund. One arises from the fact that the interest from these bonds will be given to the school activities fund. If enough money is raised to establish a permanent fund from this interest you will not in the future hear the continuous calls for donations for the support of school activities. Every year will not bring with it a deficit to be born by the student body. The other reason why you should give to this fund if you are selfish is that you can give as little as a dollar and feel that you are doing your share. But you can't feel that you are doing a bit more than your share because there have been many donations up to ten dollars or more.

If you have heard all thru your college life many and strong arguments for the support of our school and if you have heard all thru your outside life as a citizen other arguments stronger and more vital for the support of your country, let all those arguments speak to you now and take this opportunity to answer them by giving your donation to the G. W. U. Liberty Bond today.

### Your Duty in the War

A sound patriotic sentiment in the United States is necessary for the achievement of our purposes in this war. The Committee on Public Information feels that the College men and women can play a large part in moulding this sentiment, and they tell us how we can best do it.

Get the right point of view about the war. Find out just why we went into the war and why we are willing to give all we have to bring it to a successful end for the Allies. Familiarize yourself with the issues involved in the war.

To help you do this the Government has published and is publishing war pamphlets by public men. See that you get hold of some of these pamphlets and read them. They are free and may be obtained upon request to the Committee on Public Information.

It has been said that men would win the war, that food would win the war, that coal would win the war, and that ships would win the war; but more than any one of these it is a brave spirit among the allied nations which will win. That spirit can be aroused and maintained thru discus-

aging months only thru your efforts to understand why we are fighting and what we are fighting for. For it is only when you know these things that you will feel that we are right and that in the end, whenever that may be, we will win.

### Erin Go Bragh

In Killarney County, Ireland,  
There's a castle, I am told,  
With a towers built of granite slabs  
That are ivy-twined and old.  
Neath a window in this tower,  
Is the much-famed Blarney Stone  
Which exerts a magic power  
Most peculiarly its own.  
The Irish journey thither  
Just to kiss its mossy side;  
Once this act's accomplished,  
They'll never be tongue-tied.

This old stone, the Blarney Stone,  
Makes blarneyin' the name  
Of those flatteries and compliments  
Only an Irishman can frame.  
He tells you that your lips are red-  
dest—

Your eyes are heaven's blue;  
And in all this whole wide country,  
No girl compares with you.  
But just smile sweetly at him,  
Nor believe all he doth say,  
He doesn't mean a word of it,  
It's just an Irish way.

Everyone loves an Irishman.  
One can't resist their charm;  
Everyone likes to be blarneyed.  
There really is no harm.  
In this world of war and worry,  
We welcome a heart as light  
As that of a carefree Irishman—  
His jests are our delight.  
He needn't do another thing.  
But look in your eye, and say,  
"Arrah, me darlint, I love yez!"  
And he'll ne'er be sent away.  
Elsie Greene.

### STOP! LOOK! LOOSEN!

Keep your disposition nice;  
Put your grousches all on ice;  
Make the Old Huns run like mice.  
Help buy a Bond!

Take a tip from one who knows:  
Grab your chance before it goes;  
Get your money, oh you beaux,  
And Buy a Bond!

Don't drink soda, don't drink booze;  
Save your money, ones and twos;  
Add to this your movie dues;  
And Buy a Bond.

### EPISODES IN MOLECULAR LIFE

Some solutes lead a life that's hard,  
In shapely crystals shining  
Some others lead a life sublime,  
When heat keeps them subliming.

A little bit of solvent,  
Shaken well with revolution—  
Will kiss some little solute  
And they'll wed in wet solution.

They'll live along in liquid state  
In homogeneous condition,  
Till crystals separating out,  
There is a sad partition.

This episode in a solute's life  
Might end in separation  
As soon as a state of dryness  
Is caused by evaporation.

The end is when the acid comes  
With biting satisfaction  
And eats the luckless solute up  
In chemical reaction.  
W. A. Gersdorff.

### DAUGHTERS OF PHARAOH

PUSH! PUSH! PUSH!

Such is the war cry of the new  
order founded at the Inter-Fraternity  
Smoker on the evening of April 18 at  
the Sigma Chi House.

The organization is not only small  
but very exclusive. Petitions have  
been pouring into the grand keeper of  
the Archives (we cannot reveal his  
real title) without number but sad to  
say they are all being turned down.  
The purpose of this organization is  
to promote social welfare among  
those unfortunates who are not yet  
permitted to view the sacred consti-  
tution.

At present there are but fifteen  
members. Who can say what the or-  
ganization will develop into? Each  
member has been given a name and  
it is only by that name that they are  
known when going thru the sacred  
rites.

Those who are now eagerly answer-  
ing the battle cry are: Russell Hol-  
lingsworth (Theda Bara), Al Hirsch  
(Psyche), Vic Kebler (Venus), Char-  
lie Boteler (Aphrodite), Clifford (Eye-  
lyn Thaw), Little Johnnie Earnest  
(Fatima), Paul Pew (Desdemona),  
Cameron Burton (Lady McBeth),  
Hazen Cole (Valeska Suratt), Eddie  
O'Donnell (Cleopatra), Ray Harsch  
(Olga Petrova), Count Whitehead  
(Annette Kellerman), Frank Myers  
(Helen of Troy), Heinie Ravenal  
(Eva Tanguay).

### "OVER THERE"

The following are some extracts  
from letters that have been received  
by Dean and Mrs. Wilbur from their  
son William Knapp Wilbur, former C.  
C. student and class president, 1916-17,  
who is now in the Naval Reserve with  
the rank of Ensign.

February 19, 1918.

"Tonight we are lying at anchor.  
On shore everything is wonderful—  
high cliffs of the prettiest colors mark  
the edge of the land. The waves  
break against them and send the  
white spray climbing up their sides.  
"The mountains hem our harbor in  
on three sides. In the cliffs along  
the shore are caves—the most roman-  
tic looking caves you ever saw. At  
high tide the water just swirls and  
boils in and out of them. At low tide  
a sandy floor leads in and way back  
out of sight.

"Sea gulls are so tame they come  
by the thousands and feed on any  
pieces that float by. You can reach  
out and almost touch them.

"It is a truly wonderful sight off  
the stern of the ship. I take my  
glasses on deck for an hour at a time  
and just look. In the early morning  
when the clouds are draped over the  
mountains, it is too beautiful for  
words.

"I must tell you of our arrival at this  
place:  
"When we arrived, the trophy ship  
of the U. S. Navy one of the other  
ships had the crew lined up and  
crowding the rigging, and they cheer-  
ed and cheered as we swept by and  
dropped anchor.

"A mile away we had heard the pec-  
uliar roar coming from that ship and  
when we came by her a hundred  
yards or so away—the cheering those  
boys did made thrills run up and down  
my spine.

"Never before did I realize what a  
wonderful privilege it is to fight for  
our country and my people.

"When the cheering died down the  
band on deck was playing 'Hail Hail  
The Gang's All Here.'

"A similar demonstration came  
from other ships, one band playing  
'Sail Navy Down the Field'—Oh, it  
was simply great.

"When the signal came to our ship—  
'When are you ready to fight' our Cap-  
tain answered just one word—'Now!'

"March 3, 1918.

"Up in the ward room every night  
we have our movies. We have a big  
32 reel constant thriller on the reel  
now. We take it in ten reel doses.  
Everybody cheers and yells and talks  
to the actors all thru it. We encour-  
age their efforts and it really is great  
sport. Our Captain had two other  
Captains over to see the fun last  
night.

"We have ninety hours a week di-  
vided into lectures courses and study.  
Three hours a day for study. We do  
things first then profit by our mistakes  
and learn how to correct them. Be-  
lieve me, when you are up against it  
day after day, and you either learn  
right or make a fool of yourself you  
generally get so you absorb knowledge  
on the double.

"It is a great life and I am glad I  
am in it.

"William Knapp Wilbur."

## CALENDAR

Friday, April 26.

Balloting for Student Councilmen  
begins.

Sunday, April 28.

Interfraternity Association Meeting.  
Kappa Alpha House.

Monday, April 29.
